

## School Partnership Program

A School Partnership with the SEGA Girls' School provides invaluable life experiences for all students involved.

### Have a cultural exchange

- Join our school pen pal program and share information about your lives and culture
- Share videos of photo albums of a student's day
- Set up a video conference with the SEGA students
- Arrange a cultural exchange trip to visit the SEGA Girls' School
- Host a SEGA Student in your home and community in November when two SEGA girls come to the U.S. for a month-long study abroad opportunity

### Raise awareness and funds to support SEGA

- Learn the importance of education girls and share this information with your friends and family
- Visit Nurturing Minds website and social media profiles to find out more information about SEGA, help spread the word through social media, and stay up to date on the most recent events and updates from SEGA
